**Dear Airspace users and Air Navigation Service Providers!**

The Ministry of Construction and Transport, as the Hungarian National Supervisory Authority, hereby informs airspace users that, in accordance with Article 11(3) of Commission Implementing Regulation 317/2019/EC (hereinafter referred as "Regulation"), the Hungarian National Supervisory Authority is holding consultation in relation to the Modulation of Pivot Values according to Annex XIII of the Regulation.

The subject of the consultation is to allow airspace users and relevant aviation stakeholders to express their views on the design of performance targets and related measures regarding the Modulation of Pivot Values according to Annex XIII of the Regulation.

The consultation will take place online on **17 December 2025 at 14:30 CET**. Please indicate your intention to participate by **15 December 2025**

The access link to the consultation and related technical information are going to be shared with the registered participants directly prior the consultation.

Registration process: registration request, indicating the represented organization, shall be sent by e-mail to the following email addresses:

Imre Rabb: [imre.rabb@ekm.gov.hu](mailto:imre.rabb@ekm.gov.hu), Viktoria Berki: [viktoriamberki@ekm.gov.hu](mailto:viktoriamberki@ekm.gov.hu)

Budapest, according to electronic signature

Yours sincerely,

**Máté Lówingér dr. jur.**

Head of Department
